

GLENWOOD SPRINGS

**1830 Blake Avenue Suite 203 Glenwood Springs, CO 81601
BASALT**

310 Market Street Suites 112 & 113 Basalt, CO 81621

UPDATED MAY 20, 2021

Dear Patient,

The Centers for Disease Control (CDC) is now recommending that fully vaccinated people can resume indoor activities without wearing a mask. As such, facial coverings will be optional for vaccinated patients and team members beginning Monday, May 24, 2021 unless local regulations require them by law. Unvaccinated patients and team members must still wear face coverings, per CDC guidance.

- **Glenwood Springs Office** - Valley View Medical requires all patients to wear a mask upon entering the building.
- **Basalt Office** - Regus office building no longer requires masks for fully vaccinated patients.
- Facial coverings are optional in the Glenwood Springs office for vaccinated patients and team members in our reception and fitting areas.
- Dr. Johnson will still require patients to wear a facial covering while in the testing area.

Please arrive 15 minutes early to check in and fill out any paperwork if needed.
